

MASTER CLASS INFORMATION

THANK YOU for showing interest in our master classes! UND's Music Faculty has teamed up with Popplers Music to make these classes possible. UND has amazing faculty with incredible expertise, and we look forward to sharing their expertise with you!

WHAT IS A MASTER CLASS

A master class is a concentrated public coaching for the musicians who participate. Because each student's turn is shorter than an actual lesson, and because the master must explain everything to an audience that may know little about the work, they'll focus on only one or two very specific aspects of each performance. That way, everyone learns: the performer receives a valuable nugget of information that they can later apply to the rest of their repertoire, and the audience experiences how the master's advice improved their performance.

WHERE/WHEN

All classes will be held at Popplers Music in the new Piano Room. Classes will be on Saturday mornings from 10am-12pm. There is a \$10 fee for students that wish to perform and work directly with the instructor. For the audience, the classes are free and open to the public!
